

VIVEK LALPURA

Civil Engineer | Construction Estimation Manager | Project Manager

lalpuravivek@gmail.com | +91 7405115231 | LinkedIn: linkedin.com/in/viveklalpura | Open to Australian Sponsorship / Skilled Migration

PROFESSIONAL SUMMARY

Results-driven Civil Engineer and Construction Estimation Manager with 5+ years of experience leading high-volume roofing, cladding, and earthworks estimation for Australian construction clients. Managed end-to-end estimation of 6,000+ roofing plans, 700+ excavation plans, and 80+ wall cladding projects. Proven track record in client management, process design, team leadership, and quality assurance. Experienced with Bluebeam Revu, AppliCad Roof Wizard, AutoCAD, Revit, SketchUp, iScaf, AroFlo CRM, Buildxact, and MudShark. Seeking sponsorship to contribute directly to Australian construction operations.

CORE COMPETENCIES

PROFESSIONAL EXPERIENCE

Estimation & Project Manager | Milestone Solutions Pvt Ltd May 2021 – Present

 Ahmedabad, India (Remote delivery for Australian clients)

Key Achievements

- Delivered estimation and project management services for 12+ Australian construction clients across roofing, cladding, and excavation — growing the portfolio from 4,000 to 6,000+ roofing plans (50% increase).
- Led end-to-end estimation for 6,000+ roofing systems, 700+ excavation plans, and 80+ wall cladding projects using AppliCad Roof Wizard, Bluebeam Revu, AutoCAD, SketchUp, and MudShark.
- Designed and implemented customised estimation templates, checklists, and workflows for multiple clients, reducing rework rates and improving first-pass quality.
- Managed complete project lifecycle for 30+ residential projects — from client brief through design, estimation, delivery, and quality sign-off.
- Trained, mentored, and developed a team of 3–4 junior estimators; provided structured coaching on tools, workflows, and quality standards.
- Supervised a broader drafting and estimation team of 25+ members across multiple territories, delegating tasks, setting KPIs, and reviewing outputs.
- Conducted client discovery meetings to capture requirements, developed sample deliverables, and built internal SOPs to ensure consistent, high-quality outputs.
- Identified and implemented process improvements that directly contributed to client retention and business growth.
- Participated in leadership development programs, strengthening delegation, strategic planning, and stakeholder communication capabilities.
- Key software used: AppliCad Roof Wizard, Bluebeam Revu, AutoCAD, Revit, SketchUp, iScaf, AroFlo CRM, Buildxact, MudShark.

Senior Site Engineer | Dhairya Incorporation April 2020 – April 2021

 Ahmedabad, India

- Managed simultaneous execution across 7+ turnkey interior project sites, coordinating subcontractors, suppliers, and on-site teams.
- Developed and executed project plans aligned with client vision, budget constraints, and regulatory requirements.
- Led a 5-person site team — delegated tasks, set timelines, managed resource procurement, and monitored workmanship quality.
- Enforced strict compliance with building codes, safety regulations, and quality standards through regular site inspections.
- Managed procurement and cost control to ensure materials and resources were allocated efficiently within budget.

Site Engineer (Intern) | PSP Projects Limited 2019 (2 Months)

 Ahmedabad, India

- Gained hands-on experience in surveying (Dumpy level), labour management, architectural drawing interpretation, and contractor coordination.
- Prepared and presented project progress reports to senior management.

EDUCATION

Bachelor of Engineering (Civil Engineering) 2016 – 2020

Silver Oak College of Engineering & Technology, Gujarat | CGPA: 8.25

- Led the college's Technical & Cultural Club; represented the college at Gujarat Technological University Tech Fest.
